## FINANCING YOUR TRAVELS

### Do you want £25.00 to help?

Congratulations on being selected to represent Wales YFC on an exchange! You are now eligible to join the Young Farmers Ambassadors (YFA), that is the official Association for past exchangers that have travelled with YFC.

You are also eligible to make an application for financial assistance from the YFA's Wales Reunion Committee. To claim your £25.00 all you need to do is send a letter noting the following:

1. Your name, address and e-mail address
2. The name of your Young Farmers Club and county
3. Details of your exchange, e.g. to what country and when
4. Confirm whether you have previously travelled with YFC, and if so details of those visits

Then send your letter to the address below (by e-mail or post) **before travelling**.

Please note: Unfortunately, applications that don't comply with the above can't be accepted. Additionally we can't give financial support to travellers that have already received our support twice before (unless you are YFA members).
