Beth wnaeth i chi ymgeisio am daith gyda rhaglen rhyngwladol CFFI Cymru? / Why did you apply for a trip with the Wales YFC international programme?

I had thought about applying for a trip abroad as the experience sounded great! At an Activities and International meeting I heard the news that there was a new trip to Canada, and members were asked to promote the opportunity. I went back and spread the message in my County and Club and then realised I was interested myself! It sounded like an exciting trip, and a new one too, so I thought I'd apply, and through look got a place!

I ble aethoch chi? / Where did you go?

We travelled around Ontario mainly, Toronto, Brampton, Oshawa, Kitchener, Waterloo, Drayton, Almonte and then into Quebec to stay in Montreal.

I must admit the people were excellent, they were very welcoming, opening their Homes for us and adopting us as a member of their families, Group of friends and past members – this was my highlight. We Went to different farms, to see the CN Tower, vineyards, and compete at the *Sing Swing* weekend.

Pa fuddion personol cawsoch ar y daith? / What personal benefits did you get from the trip?

I can be much more independent than I thought, and I have made a life time friend in Tracy and many friends in Canada!
